

Name: _____

Multiple Intelligences Survey

Directions: Read each statement and determine whether it is a true or false statement about you. Place a T or F in each blank, with T representing true and F representing false. When you have reviewed and responded to each of the 70 statements, calculate your score using the guide on the second page, and determine your strongest intelligences. Then determine the implications this has on your learning style.

- _____ 1. I enjoy writing.
- _____ 2. I enjoy telling jokes and stories.
- _____ 3. I have a good memory for people's names, the names of places, important dates and facts.
- _____ 4. I enjoy examining and manipulating words.

- _____ 65. I am often secretive about my hobbies or interests.
- _____ 66. I can set personal goals and achieve them with little support from my friends and family members.
- _____ 67. I prefer individual assignments instead of group assignments in school.
- _____ 68. I can easily express how I am feeling to others.
- _____ 69. I usually learn from my mistakes.
- _____ 70. I have a high level of confidence in myself.

Calculating your score			
Questions #	Total # of times you marked "T"	Rank #1-7	Multiple intelligence type
1-10			Linguistic
11-20			Logical-Mathematical
21-30			Spatial
31-40			Bodily-Kinesthetic
41-50			Musical
51-60			Interpersonal
61-70			Intrapersonal

Organize your intelligence types in order of dominance:

1. _____
2. _____
3. _____
4. _____
5. _____
6. _____
7. _____
